## Work Experience.

**2026** — June–August.

### MT Media Group

Contributed to producing graphic design solutions for MT media group's multi platform content production. As well as helping produce social media content, engaging audience members, and assisting with data entry.

**2017–2026** — Year round.

### Storage locker reselling

Assisted in buying and reselling storage units. Which involved a variety of research, experience with online marketplaces, and physical labor. Acrewing profits totalling over $100,000 from our combined ventures.

## Projects.

**2026** — Spring

### SCCPSS SCAD SERVE rebrand

Helped to create a comprehensive and widely applicable branding system for the Savannah Chatham County Public School System. Created renders, mockups, and headed the majority of communications during presentations between our team and the clients, answering questions, and presenting material.

**2026** — Winter

### Senior fashion collection collaboration

Collaborated with a senior in SCAD's fashion design program to create a series of hand cast pewter brooches. Which were then picked up by SCAD's student based boutique SCAD Bazaar, for a series of twenty additional brooches.

## Education

**2022–2027** — BFA's

### Savannah College of Art and Design

Currently pursuing a double major in both graphic and industrial design. While engaging in extracurricular work in both majors. As well as pursuing personal design work, recreational athletics, and freelance work.
